Wistar's Balsam of Wild Cherry! Will Miracles never cease! More evidence of its surpassing health Restorative Virtues ! 1 ! From Dr. Baker, Springfield, Washington co. Ky. Messrs, Sanford & Park, Springfield, Ky. May 14, 1845.

Gents-I take this opportunity of informing you of a most re-markable cure performed upon me by the use of 'Dr. Wistar's Balsam of Wild Cherry.' in the year 1840 I was then with an inflammation of the bowels which I labored under for six weeks when J gradually resovered. The amount of Taxes, charged for the year 1845, on each one hundred dollars worth of taxable property, is, for State purposes, twenty one cents and seven mills; for County purposes, twenty cents; for Road purposes, ten cents: on each poll, for state purposes, filty cents, for the space of three years I was confined to my bed. I tried all kinds of medicine, and every variety of the purposes, the cents: on each poll, for state purposes, filty cents, for of medical aid without benefit; and thus I wearied along until the winter of 1844, when I heard of "Wistar's Balsom of Wild Cherry." My friends persuaded me to give it a trial, dichigh I had given up all hopes of recovery and had prepared myself for the change of another world. Through their splicitations I was induced to make use of the Genuine, Wistor's Britan of Weld Cherry. The effect was truly astoniching. After five years of affliction, pain and suffering ; and, after having spent four or five hundred deliars to no purpose, and the best and most respectable physicians had proved

unavailing, I was soon restored to entire braich by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry. I am now enjoying good health, and such is my altered appear ance that I am no longer known when I meet my former acquaint I have gained rapidly in weight, and my flesh is firm, and solid.

I can now cat as much as any person, and my food seems to agree with me. I have eaten more during the last six months than I had the good of the afflicted, and a duty I owe to the proprietors and

my fellow men (who should know where relief may be had) to make this statement public. May the blessings of God rest upon the proprietors of so value ble a medicine as Wistar's Balsam of Wild Cherry.

Yours respectfully, . . . . WM. H. BAKER. who stands high in his profes-ion, and ranks among the first poli-"Genuine Wistar's Balsam of Wild Cherry."
